NYX AUDREY ANGELO ISKANDAR

COMPUTER SCIENCE
ENTREPRENEURSHIP
SERVICE-LEARNING

ABOUT

I am a driven, ambitious, and inquisitive teenager who loves to experiment with new things and strives for improvement every day. After all, "stay hungry, stay foolish" is my motto and becoming a multi-hyphenate is my goal.

NOTABLE ACHIEVEMENTS

- Best Pro Hack | HackathonX 2021
- Champion | SUTD Virtual Research Hackathon 2021
- 10th Place | National Public Speaking Competition 2019
- Gold | iCAN 2019
